# WHY CHOOSE INNOBOX EDGE™?

## INNOBOX EDGE™ ADVANTAGE

Heat sealed inset corners eliminate the need for glue, and the unique inset fold means stronger corners with greater leak protection.

- ◆ Inset corner fold creates a streamlined edge and strong corners
- ◆ The corner is heat sealed on the inside, away from sight

## PERF-ECTION: TEAR-AWAY FLAPS!\*

For a better dining experience, make all sizes of the INNOBOX EDGE™ into a food tray in four easy tears.

- ◆ Specially designed perforation pattern
- ◆ All flaps easily tear away
- ◆ The INNOBOX EDGE™ becomes a food tray

## THE MOST SECURE CLOSURE

The patented\* Reverse Lock Closure keeps the INNOBOX closed eliminating the need to tape or rubber band the carton.

# WHY CHOOSE ROTISSERIE BAGS OVER DOMES?

## ROTISSERIE BAGS ARE EASY TO USE, EFFICIENT, AND SAVE YOU MONEY.

Save time and space by switching to Inno-Pak's Rotisserie Bags. These durable bags are warming table and microwave friendly, and take up a fraction of the space a standard dome does.

- ◆ A single truckload of Inno-Pak Rotisserie Bags is equal to over 10 truckloads of domes
- ◆ Smaller cases equals lighter cases with a much smaller storage footprint

## THE NUMBERS DON'T LIE:

### ROTISSERIE BAGS

- ◆ Case Pack: **250 bags**

## PACKAGING THAT SEALS THE MEAL.

Don't trust staples or stickers to protect delivery and carry out orders. That's a job for Handle Cuffs!

- ◆ Handle Cuffs is designed to protect the bag top and gussets from tampering\*
- ◆ Printed area for order information
- ◆ Right-sized opening for bag handles allows room for handles but not for hands
- ◆ Mailer style pull strip makes opening easy
- ◆ Vertical perforations at varied bag widths tear to release gussets when opening

- ◆ Protect your carry out and delivery orders from tampering with the Handle Cuffs\* Tamper Evident Bag Seals *(\*Patent Pending)*
- ◆ Why Handle Cuffs: Staples can be pulled from bag and re-stapled or fall into food, and stickers don't secure the bag top or gusset
- ◆ Designed to overhang the edges of the bag to protect tampering with the side gusset
- ◆ Convenient mailer style pull strip and vertical perforations at varied bag widths for easy opening upon pick-up or delivery
- ◆ Three sizes: 16" Handle Cuffs (12, 13 and 14" face bags), 13" Handle Cuffs (10 & 11" face bags), 10" Handle Cuffs (8" face bags)
- ◆ Works with most handled paper shopping bag sizes
- ◆ **CUSTOM PRINT PROGRAM:** Customize eligible items with your brand and design (up to 4 colors)
- ◆ Low minimum custom print runs with 12 week lead time from receipt of approved artwork

# WHY CHOOSE ROTISSERIE BAGS OVER DOMES?

## ROTISSERIE BAGS ARE EASY TO USE, EFFICIENT, AND SAVE YOU MONEY.

Save time and space by switching to Inno-Pak's Rotisserie Bags. These durable bags are warming table and microwave friendly, and take up a fraction of the space a standard dome does.

- ◆ A single truckload of Inno-Pak Rotisserie Bags is equal to over 10 truckloads of domes
- ◆ Smaller cases equals lighter cases with a much smaller storage footprint

## THE NUMBERS DON'T LIE:

### ROTISSERIE BAGS

- ◆ Case Pack: **250 bags**
- ◆ Cases/Pallett: **105**

# INNOVATION REQUIRES WORLD-CLASS FACILITIES

## Who We Are:

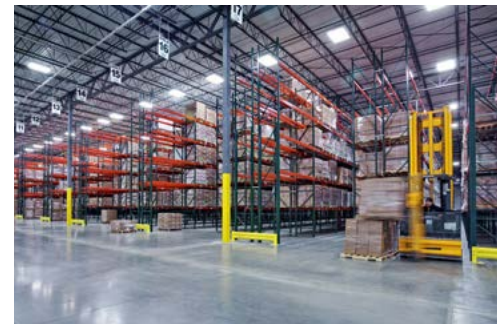

At Inno-Pak, we want innovation to impact every customer touch point and experience with our company. From our web-based inventory and warehousing software solutions to the one-of-a-kind designs that drive our success, we make sure innovation is at the heart of everything we do. Whether it's researching the newest art and packaging trends or tracking orders in real time, we constantly strive to bring you the best, most innovative packaging solutions in the industry.

**The Early Days:** Our past is rooted in hard work and innovation. Founded in 1992 in a basement office with a folding table as a desk, Inno-Pak was customer-focused from the beginning. From there, we developed strategic partnerships and programs that helped the company grow and thrive, an approach that still guides us today.

**A Global Leader:** From the beginning, innovation guided our business philosophy, and it will continue to drive our actions in the years to come. Inno-Pak has emerged as a global leader with a broad product offering and ownership/joint ventures in both the United States and Asia, yet we remain nimble, proactive and focused on customers – not shareholders.

## State-of-the-Art Warehousing:

This is another area where innovation takes center stage at Inno-Pak. Our new 315,000-square-foot distribution and warehouse facility near Columbus, Ohio is carefully synced with our web-based software to save time and increase efficiency. That means workers in the corporate office and workers in the warehouse have access to the same information about the status of every order. Best of all, our customers have access to real-time tracking capabilities whenever and wherever they need it.

## Global Manufacturing

In today's competitive marketplace, it would be difficult to overstate the advantages of global manufacturing. That's why Inno-Pak is well positioned with production facilities in the United States, Malaysia, China and India, and corporate offices in Ohio, Texas and Shanghai, China. Today, our global footprint is a game-changer when it comes to providing our customers with cost-effective packaging solutions. Each packaging solution is produced and shipped from one of our domestic or global facilities to our state-of-the-art distribution center for just-in-time delivery to you.

# INNOVATION STARTS WITH EXCEPTIONAL DESIGN

## Structural Design

Our lead engineer leverages a state-of-the-art software and hardware suite along with decades of experience to tailor solutions to your needs. In addition, we're constantly applying new techniques, tools, and sustainable, environmentally friendly materials to ensure our work remains best in class. Whether you need packaging made from paperboard, plastic, or corrugate, we can make it happen.

## Graphic Design

Our creative team has extensive experience designing for everyone from single-unit operators to Fortune 500 companies. We are continuously refining our techniques to stay on top of design and industry trends, and our state-of-the-art tools allow us to bring your creative vision to life. This talented team is passionate about providing high-quality design solutions and service to all of our customers.

## What We Do

### We innovate.

We continually develop and innovate efficient, creative solutions for our customers.

### We engineer.

We tailor the structural design to ensure the packaging meets the need.

### We get involved.

We attend shows and conferences to stay current on technologies and trends.

### We create.

We are proactive thinkers who devise creative solutions for all types of packaging.

### We support.

We support our customers by ensuring they receive the design solution they need.

### We stay current.

We research trends and pay attention to what's happening in the marketplace.

## Structural Design Meets Graphic Design

We provide a full range of design services:

◆ Concepting  
*Structural & Creative*

◆ Design  
*Structural & Creative*

◆ Production  
*Creative*

Print Processes:

◆ Offset  
*Up to 6 & 8 colors*

◆ Rotogravure  
*Up to 10 colors*

◆ Flexographic  
*Up to 4,5, & 10 colors*

The Creation Process:

**Step 1:** We gather information, review specs, and create structural options to pick from.

**Step 2:** Once a concept is chosen, the structure is refined based on feedback.

**Step 3:** Upon structure approval, the creative team begins art concepts.

**Step 4:** Creative uses all direction and design trends to produce art concepts.

**Step 5:** Once an art concept is chosen, the design is refined based on feedback.

**Step 6:** Upon art approval, the design is prepared for release to our plant.

## ECO-RESPONSIBILITY & SUSTAINABILITY

At Inno-Pak, we take the environment and our impact on it very seriously. As a SPC and How2Recycle member, we are working to make as much of the packaging we provide either recyclable, reusable, compostable, or a combination of all three categories. We also offer alternatives to popular products that reduce case size and case packs leading to fewer shipments and a smaller warehousing footprint.

## CHALLENGE US!

At Inno-Pak, we love a good challenge.

When others say it can't be done, that's our cue to accept the challenge. No challenge is too big for our talented team. We can design and manufacture a custom solution addressing your graphic and structural needs - without sacrificing cost-effectiveness. Choose from one of our many innovative packaging solutions, or share your vision, and let us help you bring it to life.
