

## GOT SOMETHING TO SAY? PUT IT ON A MESSAGE MAT!

Now there's a safer way to put your logo, safety messages and branding on the floor.

- **Adhesive-backed mat sticks to the floor** and stays exactly where you put them
- Provides a **high-traction, anti-slip walking surface** that prevents slips and trips
- Fastest way to get your **logo, safety messages and branding** on the floor
- **A fraction of the cost of traditional logo mats and floor graphics** — economical enough for regular changeouts that keep your branding and messages bright and fresh
- **Special ink allows the mat to soak up water** and a wide variety of liquids, and dries out quickly
- **Easy to clean**; don't worry about the printing, just clean in place with the rest of your floor
- **Available on black or gray** adhesive-backed floor mats; choose 3'x5', 3'x10', 4'x6' or 6'x10'

**Absorbent top** pulls in liquid and wicks it away from the center so the mat dries quickly.

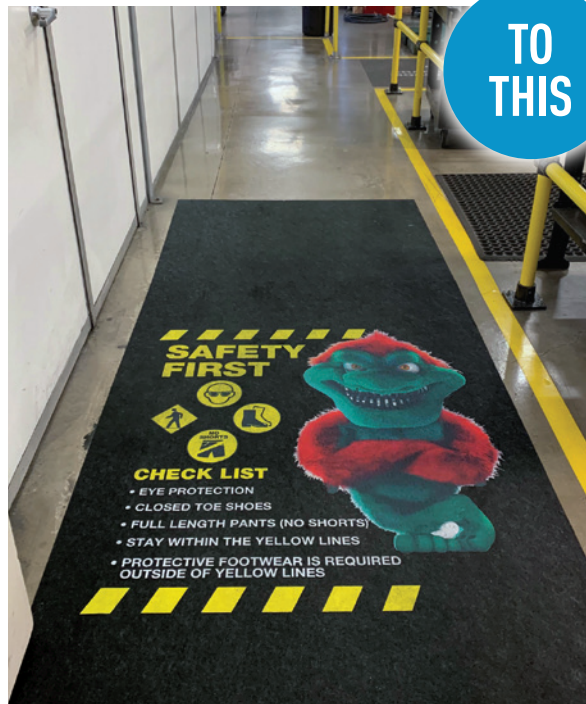

**Liquidproof adhesive backing** sticks to the floor and creates a barrier to keep absorbed liquids from leaking through.

**Entangled fibers** add durability and trap dirt to prevent it from being tracked around.
