

SOCIAL DISTANCING FACTS & FIXES

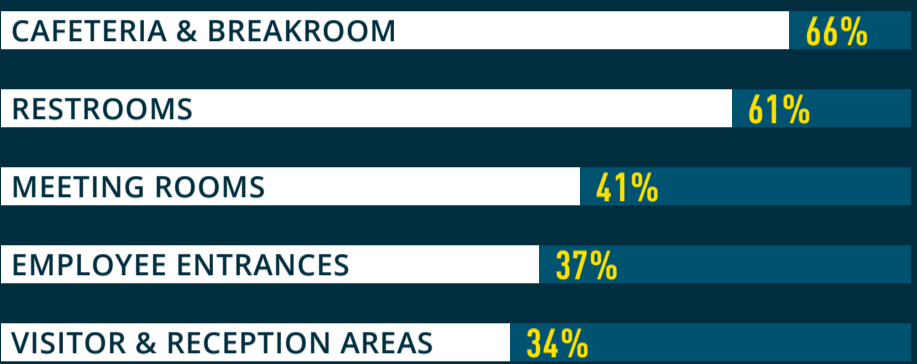

WE SURVEYED OVER 300 BUSINESSES

to understand how the COVID-19 pandemic is affecting their return to full operations. Social Distancing concerns were identified across hundreds of responses — get the facts here and see some helpful fixes below!

5 COMMON AREAS

that present the highest risk, and carry the most concern, for spreading the virus:

THE #1 CHALLENGE

to minimize the spread of the virus is getting people to follow new safety rules and maintain SOCIAL DISTANCING. Hot spots include gathering in common areas, lining up for lunch and getting too close during breaks.

THE TOP CONCERNS

of businesses ramping up listed SOCIAL DISTANCING at #2 overall, second only to employee health and safety. Even critical issues like supplying masks and disinfecting surfaces were mentioned less frequently.
