ABOUT US

Founded in 1999, CT Commercial Paper, LLC is headquartered in Oakboro, North Carolina and is full service commercial and professional tissue and towel converter.

We operate a 250,000 sqft manufacturing facility with 100 team members as well as 200,000 sqft distribution center in North Carolina.

Our products range from sustainable virgin pulp to 100% post consumer waste substrates, including single roll tissue, jumbo roll tissue, hardwound towels, centerpull towels, napkins and folded towels.

WE PRIDE OURSELVES ON

- *Lean 24/7 operation and minimal amount of overhead*
- *Flexibility and agility in changeovers to meet requirements of multiple industry segments we serve*
- *Manufacturing capabilities with 5+ million cases annual capacity on our 8 converting lines including tissue, towel and napkins*
- *Our proprietary dispensing system*
- *Financial backing from multi-billion dollar privately-held parent company*
- *Well-established and broad import capabilities to provide full spectrum of products to customers across the country and add redundancy in our supply-chain*
- *Ability to source paper locally from our long-term partners*
- *Extremely short lead-times and ability to make decisions and execute in record time.*

Belfair Elite products provide superior look and feel plus a premium performance. Belfair Elite products are made with virgin pulp and some items use air drying technology that produces a structured sheet with greater bulk for an unequalled feel. Belfair Elite is the brand needed when premium and quality are a must.
