

FOLIA™

SEMPER FOLIA.

Designed for People Who Eat

The patented **Folia™** line was designed to completely redefine the take-out and leftover experience. Innovative features include tear-away flaps for easier access to food, leak resistant side flaps that prevent spills and hold condiments and cutlery, and a full array of shapes and sizes that satisfy a broad scope of foodservice needs. The Folia™ line also includes a compartmentalized option which is the first time a folding carton-like container has been able to achieve this feature.
