PRODUCTS®

Paper cups abundant with karma

Our **Renewable Paper Cups** runneth over with messaging about their more sustainable pedigree. Spread the word about your commitment to sustainability with these FDA approved renewable resource cups, without compromising on style.

GREENSTRIPE® by Eco-Products®

Made from renewable resources
 Lined with PLA, a plant-based plastic
 Meet ASTM standards for compostability, BPI certified
 World Art™ and GreenStripe® branding communicates your environmental commitment
 Double-walled insulated hot cups keep hands cool and drinks warm without adding a sleeve
 Coordinating cold cups unify your drink packaging
