

WORLDVIEW™ PIZZA TRAYS

A big slice of
SUSTAINABILITY

You wanna pizza me?

WorldView™ Pizza Trays

Here's something to round out your cooler case selection. **WorldView™ Pizza Trays** from Eco-Products® are strong, grease and cut resistant alternatives to traditional plastics for displaying your ready-to-bake pizza offerings. With renewable sugarcane bases that are ASTM D6868 compliant for compostability, and durable recycled content lids, these sets serve up a slice of sustainability.
