

KAY® Program

Peroxide Multi Surface Cleaner and Disinfectant

Peroxide Multi Surface Cleaner and Disinfectant is formulated to be a true multipurpose solution, effective on a wide range of non-food contact surfaces and glass. The easy-to-use platform simplifies the overall cleaning process and reduces the total number of cleaning products required to clean and disinfect.

- ▲ EPA registered Norovirus kill time of 45 seconds*
- ▲ Non streaking formula for glass cleaning applications
- ▲ EPA registered peroxide-based disinfectant
- ▲ Compatible on multiple surfaces
- ▲ Pleasant and mild fragrance
- ▲ No PPE required**

Item # 1110387
1 x 2 gal (7.6 L)

- * For dispensed disinfectant at a dilution rate of 6 fl oz per gallon. Follow the Directions for Use when preparing and applying this product.
