

PIG™ Tabletop Adjustable Clear Barrier & Sneeze Guard

PLS2031 Replaceable Film; Compact; Portable & Easy Setup, Adjustable from 31" W to 49" W & 20" H to 38.5" H, 3' H x 25' L Barrier Film Roll

Portable tabletop barrier helps employees, students or guests practice social distancing and avoid physical contact per health guidelines; great for applications like cashier stations, lunch tables and workstations. PRE-ORDER for shipment on 10/21/2020. (Item will appear as a backorder at checkout.)

- Free-standing, adjustable divider is designed specifically for placing on tabletops, counters and desks; flexible solution works in classrooms, reception areas, pay stations, lunch tables, communal work stations and more
- Wide, sturdy feet keep barrier in place; simply adjust the frame height and width, then cut and attach the 3'H x 25'L film roll to fit your needs (clips included)
- Highly portable, easy to tote partition is the most convenient way to divide people or workspaces for social distancing; disassembles and fits in small tote bag (included) for carrying when not in use
- Keeps people separated for protection against germs and physical contact; helps maintain social distancing guidelines and creates a safe environment
- No need to repeatedly clean like rigid plexiglass panels! Simply unroll and replace the clear plastic sheeting with new material as needed in a matter of minutes (used sheeting can be discarded or recycled)
- Durable, lightweight aluminum barrier frame is quick and easy to assemble; frame adjusts from 20" to 38.5" H and 31" to 49" W
