

Printed Bakery Bags

Printed high density bakery bags from Elkay® Plastics are a smart choice for bakeries, delis, supermarkets, convenience stores, donut shops, cafeterias, airports and anywhere else breads and pastries are sold to end users. The high density material provides a slippery surface inside the bag that makes them easy to quickly fill with breads, donuts, muffins and pastries. The bags are offered standard with a bold and stylish "Bakery" graphic.

- High-slip interior surface for quick and easy loading
- Bold artwork and print
- Bags are partially transparent making it easier for cashiers to see the contents
- Complies with FDA regulations for food contact

ADVANTAGES OVER PLAIN PAPER BAGS

- Bags are partially transparent making it easier for cashiers to see the contents
- Printed "Bakery" graphic provides an enhanced image over plain paper bags
- Unlike paper bags, high density material is greaseproof
